

Prayer Toolbox

Let's Share

We all have them. Those short prayers that we reach for during our busy day. The one-liners that help us feel closer to our Gracious God when we need Him.

"Fill my mouth with worthwhile words and stop me when I've said enough"

"Help me to remember that nothing will happen today that you and I together can't handle"

"Lord, I can't say it in words. Can you please just listen through my heart?"

Share with us short prayers from your Prayer Toolbox! The ones you reach for when you're

Frustrated in traffic

Anxious before getting test results

Grateful for a lovely sunset
