

Thanksgiving DINNER

UPDATE on Thanksgiving Care Dinners – It looks like we are a “GO!” for this year’s version of Thanksgiving Care Dinners. The plan is still evolving, but we expect to be able to provide a full traditional Thanksgiving dinner, delivered to members of our church family who may not be celebrating Thanksgiving with other members of their family or who may have difficulty preparing a traditional Thanksgiving dinner for themselves. Covid still prevents us from hosting a gathering for a meal in Fellowship Hall as we used to do, but we want to make sure that members of our church family who had come to look forward to our shared Thanksgiving Dinner will have a Thanksgiving meal delivered to them in their homes. Meals will be delivered cold and recipient will need to reheat in microwave or on stove.

YOU CAN HELP NOW by letting us know if you know of someone that we should include as a recipient of a Thanksgiving Care Dinner. Please let us know not later than Friday, November 12th.

Volunteers are also still welcome for assembly and delivery of the meals on the Wednesday before Thanksgiving, assembly between 10am and 12pm (in Fellowship Hall), and delivery between 12pm and 2pm (masks required). Additional cooks may be needed on Tuesday, depending upon the number of meals we need to prepare.
