

LIVE STREAM AND RECORDED SERVICES

Yesterday, we held our second outdoor service at First Church. We again had an awesome turnout with about 110 people in attendance! Unfortunately, however, our attempts to live stream the outdoor service were not successful – this despite the tireless efforts of our online team of Kathy Clawges and Tyler Hare. This also means that the recorded version of the service which is taken from the live stream was substandard as well. We apologize to all those who were in their homes or away for another reason who could not watch the service on line.

Because of these technical challenges, we have decided to no longer live stream the outdoor service until we have a definitive solution to the problem. Instead, the 10:00 AM live outdoor service will be recorded and posted on Facebook and YouTube on Sunday morning by 12:00 PM so that those who are not able to come to the church can watch the recorded version when it's convenient for them.

Again, we are sorry that yesterday's service was not viewable, but please know that we are making every effort to ensure that the weekly service is available in some online format. Thank you so much for your patience and your continuing support of First Church!

Grace, Peace & Stay Safe!

Pastor Tom
